DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Applicants have filed two Information Disclosure Statements on 30 March 2009.

The first statement, citing U.S. Pat. App. Pub. No. 2004/0194084, U.S. Pat. No. 6,751,795, and U.S. Pat. No. 6,775,830, has been considered.

The second statement (captioned "Request to Correct Clerical Errors on PTO Form SB-08"), containing corrected citations to previously unconsidered references, is not entitled to consideration because it is missing the certification statement under 37 CFR 1.97(e). As noted in the previous Office action, "the date of any resubmission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e)." (Notice of Allowability, March 19, 2009, p. 2 (citing MPEP sec. 609.05(a)).)
